

FC DRAINABLE SERIES TRANSPORT TANKS

The FC (Full & Complete) Drainable Series Transport Tanks feature a durable skid that can be mounted directly to a 34" truck frame or mounted directly to a truck flatbed. The Tanks feature End-to-Center and Side-to-Center drainable floors. Insuring complete cleanout and reduced cross contamination between loads. All Units Include Tank, Bands and Skid. Outlet fittings can be installed to meet your product and flow needs.
